Ceramiche / Ceramics

CERAMICHE ARTIGIANALI DI VIETRI: l'argilla è lavorata su un tornio, dove si realizza la progettazione e la forma e segue una prima fase di cottura. A questo punto, viene un lungo processo di vetratura e decorazione artigianale. Il prodotto finale deve essere indisturbato e sparato in forni speciali.

HANDMADE CERAMICS FROM VIETRI: the clay is worked on a lathe, where design and shape are realized, and it follows a first firing stage. At this point, it comes a long process of glazing and handmade decoration. The final product need to be undisturbed and fired in special furnaces.
